Dear Mickey and Kip,

Just writing to let you know what a great time I had at Silsby Lake this September. As usual the fishing was outstanding.

During my four days at Silsby lake I enjoyed catching many fish over forty inches long in the 20# to 25# range. I was lucky enough to catch and release the largest Northern Pike I've ever caught (45 inches with a 18½ inch girth).

No one runs a first class operation like you. Every detail is taken care of by the Silsby Lake staff. All I had to do was fish and enjoy the great food and company. See you soon,

Ronald J. LaBrosse, Jr.
